Our Solution: Jobs21!

The BlueGreen Alliance launched *Jobs21!* – a national initiative for good jobs in the 21st century economy.
Jobs21! launched this initiative in nine states — Minnesota, Michigan, Wisconsin, Indiana, Illinois, Ohio, Pennsylvania, Virginia and California — employing 20 organizers in 42 Congressional Districts to build support for good jobs in the 21st century economy in renewable energy, energy efficiency, transportation, broadband, smart grid, green chemistry, and recycling.
